#### IKRA ICE – THOMAS BASTIDE

As part of the WIEN PRODUCTS Collection 2013, the French designer Thomas Bastide has designed a luxurious, pure silver caviar and vodka set on behalf of Wiener Silber Manufactur. The inspiration behind the design was to capture the essence of running water in solid form, to be realised with great precision and perfect craftsmanship.

#### BAR SET – TOMÁS ALONSO

After hot comes cold! With his "Bar Set", Tomás Alonso created a coolly elegant drinking set. Just like his first design for Wiener Silber Manufactur, the much-praised "Tea Set" from 2011, this new set also impresses with its "functionality of design".
