#### HOTSPOT NEW YORK

Anticipation is growing as 17 May approaches, when the international design fair in New York is set to open. The Big Apple is a real hotspot for Wiener Silber Manufactur, not only because of the ICFF, but also because we are represented by two highly regarded galleries in this vibrant city.

#### DESIGN, DESIGN! NEW COLLECTIONS FROM MASTER CRAFTSMEN

From its historical beginnings, the spirit of Wiener Silber Manufactur has been characterised by its cooperations with great designers. Following in this tradition, every year new masterpieces are created in close cooperation with leading artists. This year the design tradition is being continued by Zaha Hadid and Erwin Wurm.
