TIME FOR SILVER Festivity and table culture

Family celebrations should generate unforgettable moments and memories full of delights. The preparations begin now. With lots of phantasy and a strong taste for beautiful things we magic up a feast of love. That is exactly the culture we life for and want to pass along. Silver is thereby like the icing on the cake.

NOS TRUCS EN PLUMES Vive Zizi Jeanmaire!

In the 1950s, Zizi Jeanmaire charmed the public of the Parisian cabaret with her feathered costume. Her chanson „Mes trucs en plumes“ is the leading theme of a family of feather adorned silver objects by zerunianandweisz on behalf of Vienna Design Week.
