HONORED! Creativity into the future

An award is always a great honor. To create design at the highest level is part of our Viennese craftsmanship. A prize means a lot to us and is a gratifying confirmation of our work.

ON THE WAY! From Vienna into the world

Viennese silver has gained appeal overseas. From Shanghai to New York and Paris, Wiener Silber Manufactur shows its presence around the world and is enjoying ever-growing popularity amongst lovers of arts and crafts.

ISSUED! Eternal flow

Zaha Hadid developed a pair of vases in silver and gave the silversmith's art a new vision. A crossover of her work is currently on show at HOW Art Museum (Shanghai).
